

# JOIN OUR RESEARCH TEAM

## JRF Positions Available

Dr. Reddy's Institute of Life Sciences (DRILS) invites applications for JRF positions on DBT-funded projects.

### HOW TO APPLY

**HR@DRILS.ORG**

Send CV with subject line  
"JRF-GT-CIMPS"

**DEADLINE**  
**SEPTEMBER 20, 2025**

*Selection will be based on 2 rounds of interview. Selected candidate to join within 1-2 weeks of offer*

## Highlights

- Join a diverse team of computational, molecular and cell biologists; Masters, PhD and postdoctoral scientists
- Work on cutting edge, translational projects
- Study disease biology in various models, develop platforms for screening and assays
- Contribute to identification of therapeutic targets, and work on novel therapies
- Enjoy the serene, green and calm campus of UoH

### ELIGIBILITY

**Postgraduate degree in Basic Sciences/Professional Courses**

**NET/GATE qualification required**

### EXPERIENCE

**1-2 years of hands-on experience in cell culture/molecular biology are preferred**

### RESPONSIBILITIES

**Design, plan and execute experiments under the supervision of the scientist. Assist with research reports, manuscripts and presentations (internal, conferences)**
