A D V E R T I S E M E N T

Position 1#

Recruitment of a Project Associate-I at Dr. Reddy's Institute of Life Sciences, Hyderabad, for the DBT-sponsored project "Discovery of a new lead candidate Targeting Drug-Resistant Staphylococcus aureus"

Project Title: Discovery of a new lead candidate Targeting Drug-Resistant Staphylococcus aureus

Reporting PI: Dr. Sandipan Chakraborty, Senior Principal Research Scientist I, Dr. Reddy's Institute of Life Sciences, Hyderabad

Position: Project Associate-I (One)

Fellowship Duration: 3 years. Initial appointment for 1 year; extendable depending on satisfactory yearly performance.

Stipend and other allowances: Rs. 31,000 +27%HRA per month

Qualifications: Master's Degree in Natural Sciences /MVSc or bachelor's degree in Engineering or Technology or Medicine from a recognized University or equivalent.

Preference will be given to candidates with experience in Linux OS and biomolecular simulation, AI/ML applications in Genomics, and computer-aided drug discovery. Applicants with UGC-CSIR NET (JRF) /DBT-JRF scores will be preferred.

Age Limit: 35 years. The upper age limit is relaxable up to 5 years for candidates belonging to the scheduled castes/Scheduled Tribes/OBC, physically handicapped, and female applicants.

Application Procedure: Applicants are requested to email their CV with a cover letter as a SINGLE PDF to the HR HR@DRILS.ORG

Last date of application: 10th November 2026

Date and time of interview: The Final date and time will be informed to the shortlisted applicants only via email

Position 2#

Recruitment of a Project Associate-I at Dr. Reddy's Institute of Life Sciences, Hyderabad, for the DBT-sponsored project "Discovery of a new lead candidate Targeting Drug-Resistant Staphylococcus aureus"

Project Title: Discovery of a new lead candidate Targeting Drug-Resistant Staphylococcus aureus

Position: Project Associate-I (One)

Fellowship Duration: 3 years. Initial appointment for 1 year; extendable depending on satisfactory yearly performance.

Stipend and other allowances: Rs. 31,000 +27%HRA per month

Qualifications: Candidates should hold a Master's degree (MSc) in fields relevant to Biochemistry, Biotechnology, Molecular Biology, Life Sciences or an allied discipline, with a good academic record; recent graduates are preferred. A valid NET qualification is desirable but not mandatory. Prior hands-on experience in standard biochemical and molecular biology techniques (such as protein expression, PCR, cloning, bacterial cell culture, etc) will be an added advantage.

Age Limit: 35 years. The upper age limit is relaxable up to 5 years for candidates belonging to the scheduled castes/Scheduled Tribes/OBC, physically handicapped, and female applicants.

Application Procedure: Applicants are requested to email their CV with a cover letter as a SINGLE PDF to the HR HR@DRILS.ORG

Last date of application: 10th November 2026

Date and time of interview: The Final date and time will be informed to the shortlisted applicants only via email
